DEDICATION

"SHAZAM!!!" he said with a grin at the start of a very special year. Our country's 200th birthday is something very special. The year Nineteen Hundred and Seventy-Six will long be remembered for it will happen just "Once In A Lifetime."

The 1976 FASTI very much resembles the man to whom it is dedicated. As this yearbook has many different meanings to many different people, so he is many things to many people. He is a family man with a smile that brings sunshine to everyone's day. As a teacher he devotes much of his time to the molding and development of a student's future. We all appreciate his concern.

In his 12½ years at Chaffey, he has been very outspoken about many things that are beneficial to the students. He is often seen at athletic events or chaperoning student assemblies and special events. It is not unusual for students to ask him for advice in solving life's problems.

It is with the utmost pride that we, the FASTI Staff of 1976, salute:

RON ECKERT

Good fun, good friends, and fond memories. But wasn't there more than that? Didn't we learn something in spite of ourselves? With the efforts of the Chaffey Staff and Administration, our year was filled with advancement, personal and intellectual growth.

We often take our freedom and independence for granted. But as we celebrate our national Bicentennial, we should think of it not only as our country's birthday but as the observance of 200 years of struggle, conflict, growth and prosperity.

The 200 years of national growth has included almost a century of parallel advance for the city of Ontario. Since its birth in the early 1880's, Ontario has had peaks and valleys of development, but always with an upward direction.

It started when George Chaffey, Sr. and his son, William B. Chaffey, left their home in Ontario, Canada in 1878 to start a new life in Riverside. George Chaffey, Jr. heard exciting accounts from his father and brother and joined them. George Jr. foresaw a beautiful city "without slums or saloons." He paid \$60,000 for 6216 acres of land to establish a "model colony" in Ontario.

Four progressive programs were established for the Colony. The first was to distribute water in cement pipes to each acre farm lot and smaller city lots throughout the whole tract. In 1883, for as little as 150 dollars, one could buy land and one share in the San Antonio Water Company. The plan was unique because water was used not only to irrigate but to generate electricity.

Secondly, a major thoroughfare was to stretch from one end of Ontario to the other. A 200-foot wide highway, 6.5 miles long with a spacious parkway became Euclid Avenue. It was landscaped with Grevillea and Paper birches. When the purple mountains at its northerly end were capped with snow under azure skies, the Avenue compared favorably with the most beautiful in the world.

Another basic program entailed securing the "best possible class" of settlers for the Colony. To this end, among other things, the sale of intoxicating liquor was forbidden for 50 years. In 1905 the U. S. Government selected the Ontario Colony as a standard for American colonies using irrigation.

The Chaffey brothers sold their interest in the Ontario Land and Improvement Company in 1894. They moved to Australia to form similar colonies there. But George returned in 1896 and was put under contract by the Ontario Land and Improvement Company to develop more water for Ontario. He continued his work with the company until his retirement.

To commence the fourth major program, in 1883, the Chaffey brothers donated 20 acres at Fifth Street and Euclid Avenue and 320-acre endowment of land to serve as the location of Chaffey Agricultural College. The College was for many years associated with the University of Southern California.

In 1908, Ontario High School District was formed. For the next eight years, classes were held in the college buildings. In 1908 the High School District purchased land from the college at Fourth and Euclid to serve as the location for a high school building. In 1911 Upland joined Ontario in forming the Chaffey Union High School District. Essentially the boundaries of the district were extended to include Barstow, Alta Loma, Cucamonga, Fontana, Mountain View and Clare Baldy. Chaffey Junior College of Agriculture, was organized in 1919.

During the depression of the 1930's, one of the low periods nationally, Chaffey education ascended to one of its peaks. For, as inscribed on a bronze plaque "At a time when men were experiencing difficulty in finding work our government, with the cooperation of the people of this district, accomplished these improvements: Aviation Building, Memorial Library, Women's and Men's Gymnasium, Bleachers, Music Building, Athletic Field, Tennis Courts, North and South Halls, Plunge, Shower and Dressing Rooms, G. W. S. Auditorium, Science Building, Transportation Building, Mechanic Arts, Aviation Building addition.

In the late 1950's Chaffey District served students in a 200-square-mile area, from Pomona to Rialto, from Mt. Baldy to China. One-third of the district students were at Chaffey High. In 1960 Chaffey College moved to its present site in Alta Loma and buildings formerly occupied by the College were taken over by the High School.

The U. S. Bicentennial will be much celebrated in Ontario. The annual Chaffey High School Tournament of Bands will be a major event. Ontario's Bicentennial Commission is sponsoring a parade, the annual All Stars picnic to be held on Independence Day, and after the picnic, a fireworks display.

But for Chaffey and Ontario, the Bicentennial will be occasion for a look into the future as well as the past. A World's Fair - Expo 81 - to be held at the Ontario Motor Speedway, must mean continuous, perhaps spectacular growth for this area. The face of downtown Ontario will be drastically changed by the development of a Civic Center. Even as the Pepper trees along Euclid Avenue are dying, a new landscaping plan is bringing the street to even greater beauty. Chaffey campus has a new Math-Science building, a locker compound, new landscaping in the South quad and is preparing for new quarters to house the Business Education department. And most significantly, there is existing educational change, and hopefully growth, in the future.

Cross Country is an endurance sport. At the beginning of every year, many athletes go out for the team, but only those who really like to run can hack it. Two miles of uphill, downhill, rugged sandy courses provide the Harriers with one of the hardest sports Chaffey can offer. It is self-conditioning, unlike other sports.

You have to hit a pretty quick pace, and keep it there, whether your body can take it or not.

With only four returning lettermen, Tim Mattison, Larry Madison, John Castro and Art Rodriguez, the Tigers worked hard throughout the season. Art Rodriguez suffered an injury and was unable to compete until later in the season. Seniors Tim Mattison and Larry Madison were named all CBL, the third year in a row for Tim.

Fresh Black

The Fresh Black football team had an outstanding record this year, 9-0. They scored a total of 308 points while only allowing 18 points against them. The team was very strong both offensively and defensively.

In non-league competition, the Tigers were undefeated with a victorious score of 24-0, and also Pasadena with a win of 14-2. In league, the scores were as follows: La Puente 60-0, Law Auto 51-0, South Hills 36-0, West Covina 46-0, Covina 46-0, Elvert 58-0. The team finished the season with a victory when Wilson forfeited.

The Fresh Black Most Valuable Player was [Name]. The Best Back award was presented to [Name], while the Best Lineman award went to Mike Band. Two men received captains awards: Kevin [Name] and Kevin Parks.

Sophomores

The Sophomore football team went 8-1 this season, with a 4-1 league record. With their strength, size and ability, the team shut out San Marcos, Alhambra, and San Geronimo, losing only to Redlands.

Most Valuable Player was Bill Pomeroy. Chosen for their performance as best backs were, Danny Olivera, and Chuck Cohn. Bruce Lewman received the best lineman award. Two trophies were given by the coaches for the captains award this year, and they went to Mark Urich and Greg Signorio. The Sophomore coaching staff consisted of Jim Reno and Ted Reeves.

The future looks very promising for the Tigers, as the offense and defense has never been better.

Tennis

Second In CBL

The girls' tennis team closed their season in second place this year. Playing in the Round-Robin Tournament, the tigers turned out a 7-3 record. Six girls went to represent Chaffey in the CIF Playoffs: first and second singles were Peggy Toole and Simone Klitenic, first doubles were Heidi Rodewald and Linda Salvati, second doubles by Dana Crappa and Darin Moore. Peggy Toole was the lone tiger who represented the CBL League in the CIF Tennis Sectionals. The team was coached by Noreen Kistner and Karen Berry.

Tigers Run Away With C.B.L. Honors

For the second straight year the 1975 Chaffey High School Waterpolo Team comprised a majority of the All Citrus Belt League Waterpolo Selections. Leading the five-man parade of first teamers was the 1975 C.B.L. player of the year, Steve Evans. Steve scored 131 goals for the 1975 campaign and had 44 goals in 5 games. Tom Lucas was another first team selection. Tom banged home 101 canvas-slappers including 25 in league. The anchor of the defense was goalie Brian Howland. Joining Evans, Lucas, and Howland on the All C.B.L. first team were sprintman Joe Graff, and defensive specialist Steve Hollenbeck, both who played key roles in Chaffey victories. Two Tiger starters were named to the All C.B.L. second team: Mike Squires and Craig Sipes. A final member of the Tiger Varsity was accorded All-League Honorable Mention status at the selection committee, sophomore Mike Evans.

BASKETBALL

Freshmen

Coach Charles Rupert's freshman basketball players came out of the '76 season with a 1-13 overall record. Their pre-season record was 5 wins and 7 losses. They finished as runners up in Frisbie-Rialto tournament, beaten by Ramona of Riverside. Chaffey finished 13 in the strong Sierra League. The freshman tigers competed in this league because there is no frosh league in the C.B.L. Of the 13 losses, five occurred in the last two minutes of play.

Junior Varsity

The Junior Varsity finished their season with a disappointing record of 5 wins and 10 losses. The JV's held leads in 9 of the 15 games, consequently a few of the defeats were more than frustrating. Five of the losses were by six points or less. Games that were close were usually won by the team making the fewest mistakes. Spirit, hustle, and teamwork are the strong points of the squad. The main weaknesses through out the season were rebounding and inconsistent outside shooting. The team was coached by Jesse Evans.

Row One: Mike Bre, Eric Allen, Jeff Dodd, Row Two: Jim Reinhardt, Don Sheffield, Dave Stevens, Bill Johnson, Roger Walters, Bill Jensen, Brian Pace, Steve Meyer, Matt Bass, Coach Evans.

Chaffey's #1

CITRUS BELT

The Chaffey boys basketball team had a successful season with a record of 18-8. The team's success was due to the hard work of the players and the coaching of Coach Nelson. The team's record was 18-8, with 18 wins and 8 losses. The team's success was due to the hard work of the players and the coaching of Coach Nelson.

The season started with a win over the Tigers. After a 55-40 win over the Tigers, the team's success was due to the hard work of the players and the coaching of Coach Nelson. The team's record was 18-8, with 18 wins and 8 losses. The team's success was due to the hard work of the players and the coaching of Coach Nelson.

Chaffey then lost to district foe and 2 A power Alta Loma 66-55. Then came the annual Covina Christmas Tournament in which the Tigers were seeded fourth. After a 78-60 massacre of Northview, the Bengals encountered the most heartbreaking losses in Chaffey history. Ahead 90-80 with only two minutes left in the contest, Chaffey went ice cold while their opponent, La Jefferson became red hot, outscoring the Tigers 2-0 in the final two minutes to win 92-90. Chaffey bowed out of the tournament with a 63-49 loss to 3 A powerful San Gabriel.

But it was not all bad news in pre-league play. Not only did the varsity end it with a victory over Upland, 65-42, but senior Mark McQuaid set Arroyo Tournament history by being the first player to make the all tournament team to Covina for the second year in a row.

CIF play began with San Geronimo being the team to beat. Going into CIF play, the Spartans were ranked No. 3 in the CIF poll with an 11-0 record, with Eisenhower's Eagles coming in with an 11-1 record. The Tigers began the race toward the crown with a 70-50 thrashing of Redlands. Chaffey then ended a five year losing streak on Pacific's home court with a 51-49 double overtime victory.

Chaffey's first and only loss on their home court for the year came next with a 53-44 defeat by Fontana's Steelers. After defeating Eisenhower 71-56, came the first of the three meetings between the Tigers and the super Spartans. In an unusual afternoon game, the Tigers led by McQuaid with 26 points, Albert Ramirez with 14, and John Matke, 10, upset the undefeated Spartans 70-54.

After victories over Redlands, 76-57, Pacific, 51-53, Fontana, 68-54, and Eisenhower, 66-63, came the second meeting of the Titans. San Geronimo's Steve Johnson scored 10 points to the 26 combined total of Matke, 10, McQuaid, 8, and Anthony Munoz, 8, in an 8-10 destruction of Chaffey.

After a loss to Redlands (75-71), and victories over Pacific (80-50), Fontana (62-48), and Eisenhower (72-59) came the game of the decade. A Saturday night affair, the game brought emotions to a head. The winner of the game would be the CBL champ. When the dust settled, Matke had led the Tigers to Co-Championship with his clutch play in the fourth period after McQuaid had fouled out, and Chaffey had won it all with a 65-51 victory. Chaffey and San Geronimo closed with 11-3 records. The Tigers in Nelson's second year as varsity coach wound up 15-7 overall with the CIF rating of 18th going in the playoffs.

Chaffey began CIF play with 54-40 victory over Camino Real runner up Serra at Chaffey. This was the Tigers first victory in the CIF play off in 14 years, since 1962, when they went all the way. Matke lead all scorers with 22, with McQuaid following with 19.

Next on line for Coach Nelson's Cagers were Alhambra's Moors. Alhambra had earlier beaten Chaffey 68-65 in the Arroyo Tournament, so the Tigers were out for revenge. In a game played at Ontario High School, Chaffey was lead by the trio of McQuaid, Matke and Ramirez, each scoring 16 points each in a 59-57 upset over third ranked Alhambra. The outside bombing of Ramirez and Schessler (8) coupled with the inside play of McQuaid, Matke, and Munoz that brought the victory.

The Bengals exited the play offs on the road, with a 61-56 defeat at Buena of Ventura. Twenty seven Chaffey turn overs going with a 14 point game turned in by the Bulldogs. San Howell were the only scorers in the game. But the Tigers didn't give up without a fight. With McQuaid and Munoz scoring 28 and 10 respectively. Overall, it was a great year. The Tigers finishing up with a Final B-R overall record.

The 1975-76 Field Hockey season ended with Chaffey's Varsity team in third place in the San Antonio League, while the J.V. team held the fourth place position.

Both teams had several freshmen and sophomores with a lot of potential. Therefore, next year's teams look very promising.

Outstanding players from the Varsity squad included: Tanya Bowie, Lorel Roehl, Helen Burgess, and Janet Haderer. The Junior Varsity squad was lead by Neva Bedford, Kelli Beingesser, and Renee Martel. Near the end of the season, Miss Beingesser was promoted to a Varsity position.

Tanya Bowie was the leading scorer for the Varsity crew, while Lorel Roehl was outstanding on defense. Neva Bedford's spectacular playing ability put her in the leading scorer spot for the Junior Varsity squad.

Soccer's Super Season

Chaffey's 1975-1976 Soccer Team had a fantastic season. They finished first in the Citrus Belt League, with a 7-0-1 record. This was the second consecutive year that the Tigers were undefeated in league play and advanced to the CIF play-offs.

One of the seasons highlights was when Chaffey beat Damien 1-0 to take third place in the Damien Tourney, behind 1st place San Gabriel and 2nd place Excelsior. One of the high points of league play came when the Tigers defeated Webb 4-0 to secure the first place position.

Outstanding offensive performances this season were by unrelated Marvin and Frank Fernandez. Marvin set a school record for most goals scored in one game with 5 against Fontana. Two weeks later, Frank broke that record with 7 goals against the same team. Other offensive players that turned in outstanding performances were Jaime Ramirez and Jack Castillon. Defense was the name of the game. Raul Guerra and Nick Sedgwick proved to be the best fullback combination in the history of the school. Rounding out the other defensive positions were Jack Jimenez, Rick Lee, and Mike McEachron.

Chaffey's offense scored a total of 80 goals, while the defense allowed only 17 goals to be scored against them. High scorers this year were Frank Fernandez with 37 goals, and Marvin Fernandez with 23. Goalie Javier Ramirez recorded 110 saves.

Six players were named to the First Team All CBL. They were goalie Javier Ramirez, a junior, seniors Jack Jimenez and Nick Sedgwick, fullbacks, halfback Marvin Fernandez, a senior, and forwards Frank Fernandez, a junior, and Jaime Ramirez, a sophomore. Four players were Second Team All CBL choices. They were fullbacks Raul Guerra, a senior, and Mike McEachron, a junior, halfback Mazen Fakhour, a junior, and forward Jack Castillon, a junior. Rick Lee, a junior, was awarded an Honorable Mention.

Chaffey's fabulous soccer team into the CIF play-offs with a 16-3-2 record, having been 7-0-1 in league. In the first round, the Bengals faced Santa Ana at home defeating them 2-1 in overtime. Goals were by Frank Fernandez and Jaime Ramirez. From there, the Tigers went on to overcome No. 2 ranked So. Torrance 1-0 in the second round of play. In the third round, Chaffey traveled to Salesian in Los Angeles. The game was scoreless through regulation time, ten minutes of overtime, and ten minutes of sudden-death overtime. The game then went to penalty kicks. On a mistake by the referees, Salesian won the game. But Coach Stepanian contested the game and the CIF Commissioner ruled in favor of Chaffey, giving the Tigers a 1-0 victory. By virtue of the win, the Bengals advanced to the semifinals and played Central of El Centro. Again the game went all the way to penalty kicks, resulting in a Chaffey loss. The Tigers then played Palos Verdes for the CIF third place crown. After nine overtimes, Palos Verdes overcame a determined Chaffey team, 1-0.

The Varsity Team anticipates a Second in dual meets with a 4-1 record and a 5-4 record overall. At press time they are hoping to win the CBL Swimming Championships during the season.

This year's 1976 Chaffey Union High School District Invitational was held at Montclair in which Chaffey was outstanding in all events. Chaffey outdistanced 2nd place Upland 611-489 with Montclair and Alta Loma finishing 3rd and 4th. Individual events were won by Tigers Tom Lucas in 200 yd. freestyle and Jeff Thornton in the 500 yd. freestyle.

Seniors leaving this year are Tom Lucas — freestyler, Joe Graff — breaststroker, Mark Szpyrka — distance. The Swimmers coming back with hopes for a strong season are Jeff Thornton, Peter Bringman, Danny Davis, Chris Ruel, Heidi Rodewald, Linda Salvatti, Mike Evans, David Schoenborn, and Danny Spencer.

The 1976 Chaffey Diving Team is one of the strongest in the schools history. The team is led by seniors, Steve Evans, Kathy Pedersen, Cynthia Watkins, and Linda Telep. Steve Evans has been a CIF finalist for the past two years and should repeat this year. Kathy Pedersen is an outstanding diver and should be second place in the CBL League competition. Steve and Kathy are undefeated in dual meet competition this entire season.

The hope for the future rests with two sophomore divers, Pat Marten and Ron Lancial. Pat Marten should finish third place in the CBL League championships behind Steve Evans and Kathy Pedersen.

A promising group of first year divers means Chaffey High School will continue its tradition of dominating the CBL diving scene. This group includes Tami Anderson, Bobbi Brasfield, Gigi Carter, Marty Hoyos, Betty Jeffries, Mary McMichael, and Linda Wiesen.

Frosh

Chaffey Frosh Wrestlers faced six tough opponent schools this year and completed their schedule with a 3-3 record. The Frosh team finished it's season with just 15 members, so each and every wrestler was heavily counted upon to fill the 13 weight classes for each match.

Among this year's leading wrestlers were: at 98 lbs., Ricky Lopez, a late arrival who was undefeated. Lopez also wrestled with the Varsity squads. At 141 lbs., Vince Quiroz, who sported a 5-1 record. David Bahney wrestling at 148 lbs., one weight class above his weight, posted a 3-2-1 record. The Frosh heavyweight this year, Russ Calderwood, anchored the Frosh Grapplers with a 5-1 record.

J.V.'s

Chaffey's Junior Varsity wrestlers had a very successful 12-1 season. The Tigers soundly defeated Montclair 48-21 to begin their season. The only J.V. loss was at the hands of strong league opponent, Pacific High School. All other league opponents were defeated twice by the J.V. squad during CBL competition.

This year's squad was a balanced combination of freshmen, Sophomores, and Juniors. Some of the outstanding wrestlers this season were Bill Pugh at 115 lbs., Leonard Bumpus at 123 lbs., Greg Hover at 130 lbs., Glen Cozart at 136 lbs., and at 175, Richrd Ramirez.

Tiger Baseball maintains the fourth quarter excitement at Chaffey High School

With seven returning lettermen, coach Jim Semon built the Varsity team into one of the finest competitors in the 76 Citrus Belt League.

The team was basically good, and went far in the season. An excellent pitching staff helped the defense. With the Tigers up to bat, home plate saw many good hitters.

Chaffey won the first round of C.B.L. play, which made the future look bright. Tiger standouts were: Rick Fellmayer, Tom Bessette, Dave Harrelson, Anthony Munoz, John Torres and Dan Crowe.

GIRLS
BASKETBALL 1976

During the winter break from 1965-66, the Tiger basketball team, the Tigers opened their season with the first annual Gaffney Girl's Invitational Basketball Tournament held February 5-7 in the Tiger gym.

Making it more of a challenging game the girls' competition moved from the San Antonio League to the Currier Belt League, which enabled the team to play such stiff competition at Eisenhower, Pacific, Fontana, Redlands, and San Geronimo. Having such a young team, the tigers look promising for future CBL championships.

The girls' basketball program is expanding and drawing more girls for tryouts each year. It has changed drastically in the past five years which has made the games much more exciting for players and spectators.

Outstanding performers are Dark Crappa, guard; Captain Peggy Toole, center; Co-Captain Lorel Roehl, guard; and Cathy LaVangie, forward and center. The rest of the Tiger team adds strength to their teammates.

The girls' softball team has entered into C.I.F. competition every year and has done well in league and C.I.F. competition. They were one of the very strongest teams in C.B.L. competition this year. Last year they were undefeated league champions in the S.A.L. league. Many players are strong hitters and had lots of speed on the bases. There were six returning players and several strong freshman and sophomore players.

Team standouts are: Lorel Roehl — Catcher, 2nd yr., Dana Crappa — Outfield, 3rd yr., Joy Bennett — 3rd Base-Outfield, 4th yr., Sue Snapp — Pitcher, 2nd yr., Sue Stencil — Infield, 1st yr., and Kelly Beingsse — Infield, 1st yr.

Tiger Tennis '76

The 1976 Chaffey Tennis Team was a fairly strong team this year with nine returning lettermen. However, the league was stronger, also the only person that graduated from the top seven players in the league were from Chaffey. The team improved steadily though, and was a factor in the race for the CBL crown. The other tough schools in the league were Pacific and Redlands. This year was considered a building year in that there were only two seniors on the ten men varsity team. Coached by Barry Cadwallader

GIRL'S TRACK AND FIELD

This season began Feb. 2nd with many new faces coming out for track. The team this year is very young and small, with the majority of girls being freshmen and sophomores. The team also has several returning stars like Tanya Bowie who broke 3 school records last year, Kim Wilcox — shotputter, Antonia Walker — high jumper and Jan Moskun — hurdler. The first League Meet will be March 31st at Chaffey against Eisenhower. We are looking forward to a successful growing season.

Who's Who In Sports

HOMER THOMPSON — *Athletic Trainer*

ELMINA MITCHELL — *P.E. Attendant*

CLYDE FRANCISCO

It takes patience, understanding and knowledge to realize that each and every sport is important to the athlete who participates

Knowing this, he becomes a great man in the eyes of students, and has proven to be an outstanding Athletic Director. He once said, "Each sport has a special something to offer to make it unique." Part of this uniqueness comes from himself. Much unknown hard work and overtime goes into every sporting event all year long. His words: "This is the life of the school and it is my pleasure to be a part of it." Because of his dedication, we give special recognition to

Team Managers Greg Johnson, Johnny Briceno, Buddy Hale, Robert Gendler, Harold Relph

To recognize all the individuals who are associated with sports at Chaffey High School is near impossible. On these pages are but a few: Mr. Francisco, Homer, Henry, Louie, Mrs. Mitchell, The Managers, the Referees, Umpires, GAA, Pep Squad, and

On campus there are thousands of sports fans, and you know who you are. Without your faith and spirit, sports would be nothing. Without sports, Chaffey would be lost. Be happy to be a part of it all. If sports is the one thing that unites student body, then may it keep on forever. Devotion is the word most closely related to athletics, and devoted these people are. Many thanks to all

Girls League

The Girls League is the largest organization on our Campus. Every girl becomes a member of the Girls League when they enter Chaffey High School. A few of the activities sponsored by the Girls League are: The Big Little Sister Potluck, a Backwards Dance, The Student Aid Drive, and the Christmas Formal

Each third period class elects a representative to attend a monthly meeting. During the meetings the Representatives have the opportunity for input as well as receiving information that is to be taken back to the classroom

WISHING UPON A STAR

During the week before Christmas, the Girls' League held their annual Student Aid Drive. Sharon Hansen, school service chairman, directed the effort this year. The week was followed with sales of candy canes, jingle bells, cookies, mistletoe, and other holiday goodies. Throughout the week third period classes held collections. The week ended with the traditional Dutch auction. Ted Reeves class took top honors, raising over eighty nine dollars, but closely followed by Norm Naylor's class which brought in over eighty five dollars. The 1,320.00 earned during the week will be added to the Girls' League Welfare Fund, which is used for Chaffey Students who need financial aid. Girls' League members were also busy decorating the Christmas tree in the CHS Library, presented a Hickory Farms Goodie Pack to Principal Fred Adams, and teamed up with Key Club in sponsoring the Christmas Formal.

Girls' League Presents — CIRCUS! CIRCUS!

Come one come all to the greatest show on earth. Step right up folks and meet King Steve and his court of clowns. Presented at the Charter College Circus on April 8, Girls League finalized a week of entertainment as Steve Holtenbeck was crowned King Clown. The center ring featured Cecil, four clowns, barkers, ring masters, magicians, lions, snake charmers, fortune tellers, and spectators filled the Big Top for the finale "Circus! Circus!" the last Backwards Dance of 1976.

Keeping the dance tame?

Backwards Week, the most exciting week of the year, was filled with fun and activities. Monday the festivities began with a popcorn sale. Tuesday was "Hush Day" with Pat Ruiz being named "Mr. Irresistible" after collecting a total of 106 clown tags. Taffey was also sold during lunch. Voting was held on Thursday accompanied by a cotton candy sale. Friday, the school turned into a three ring circus as students dressed the part. Balloons were also sold. During the week, clubs were busy advertising for their king candidates, which led to the crowning on Saturday at the dance.

GIRL OF THE YEAR

Chosen as Girl of the Year for 1976 was Donna Whited

Donna served as G A A and Girls' League Frosh Representatives, Sophomore Class Treasurer, and Camaretta Club Secretary. She was also a member of Ivy Choir and Varsity Pep Squad. As Girls' League Vice President, she was in charge of the Big / Little Sister program for 1975-76. Donna was also chosen to reign as 1975-76 Football Homecoming Queen.

1975-1976 VARSITY

In the summer of '75 the Varsity Squad traveled to Malibu to attend camp. With high hopes and smiles, they started out their week excited and eager to learn. They knew that their hard work made it all worthwhile when the Songleaders brought back 19 blue ribbons, 12 red ribbons and 1 white ribbon. They also received the Spirit Stick for one day. The Cheerleaders brought back 2

THE MUSIC MAN

"I always think there's a band, kid" Music Man, Prof. Harold Hill says to a young boy in River City, Iowa. Harold is the great American go-getter, confidence man in Meredith Wilson's musical theatre masterpiece, THE MUSIC MAN. Harold's musical fantasies lead to a heart warming climax as the boys of River City put on their band uniforms and take instruments in hand to play "The Minuet in G" as it has never been played before. Harold's musical "Think System" wins the day.

National Forensics League

The Chaffey Chapter of the National Forensic League has shown both spirit and enthusiasm throughout the of 1975-76. Although taking in an estimated 150 awards this year, the goals set for the club go beyond the trophies and ribbons. The members have discovered the beauty of the art of communication. The speakers all agree that the with encouragement of Judith Pett and with the zestfulness shown among the members themselves, this club experience will be one of profit and memory.

Band Royalty

Two weeks before the Chaffey Tournament, the students in the band elect a band queen from one of their senior members and the drill team elects one of their students to serve as queen. Wendy Schulze, Top Sergeant of the Band and First chair clarinet, was the band's choice for queen and Cindy Ayala was selected by the drill team to share the queen honors. But, every court must have a King to accompany the queens and Ben Boetel was the Senior Bandsman receiving this honor.

The two queens and king represented Chaffey High School during the directors banquet, which is held each year in honor of the visiting schools. They also represented Chaffey in the parade which kicked off this annual festivity.

The parade begins at 4th street and moves down Euclid Avenue to "B" street. The "Band Royalty" precedes the band and drill team in an open car as they move down the avenue.

Homecoming Activities

Many weeks of advertising and excitement comprised the 1975-76 Football Homecoming activities

Painting banners, hanging posters, dressing up weird, and causing caos on campus, hold memories for all who participated. A special attraction bestowed the queen rally, as Chaffey's student council arranged the "The Great Race" to be held prior to the queen introductions. Representatives from each class filled Graber field and joined in on the three legged race sased with burlap bags. The faculty also got into the action . . . but the fantastic SENIOR class turned up the victor, and began the excitement of the day's activities

The weeks reached their climax during the halftime show in the Chaffey vs Eisenhower game as Donna Whitel was chosen to reign as Queen. But the royalty didn't stop there. Molly Boggs, Paula Flores, Janet Signorio and Lynda Valdez were honored as princesses, and along with Queen Donna, the senior class presented them with necklaces in which their names were engraved

There were many different activities this year to introduce the queen candidates. Each girl was given a day to compete with their escort in a licorice race and donut eating contest. The races were won by Julie Signorio and her escort Anthony Munoz. The winning times were 1:00 in the licorice race; 1:09 in the donut eating contest.

Preceding the rally was a parade of the queens. Each girl was carried in either a wheelbarrow or a wagon by her escort throughout the school.

The long hard hours of campaigning came to an end when Julie Signorio was crowned as the 1976 Spring Sports Queen. Julie began her reign during halftime at the Chaffey vs. Eisenhower Basketball game of February 19. The court was made up of princesses Julie Anderson, Linda Andrejko, Suzanne Irwin, and Sue Scott.

TIGER RAG

Cynthia Walker and Mary Ann Wisniewski, editors

A new approach toward a campus publication was tried by Tiger Rag this year. Headed by Cynthia Walker and Mary Ann Wisniewski, co-editors, the staff raised a few eyebrows among campus residents and parents with talkworthy topics as teen-age pregnancies, male liberation, high school "soc-ism," alcoholism and homosexuality. Using a small magazine format, the eight-page news magazine was praised by judges in contest ratings. Tiger Rag writers were among the best in the San-Bernardino-Riverside counties write-off competition in the spring

Helga Hrubesh

Helga Hrubesh, from Vienna, Austria, found herself quite active in America. During her stay here with Lewis, Shelly, and Mr. and Mrs. Harmon, they have gone boating, to the beach, to Alabama, and Disneyland just to name a few. In Austria for entertainment she goes to movies and dances. She also finds time to do plenty of skiing. Helga finds the school system much easier here and the people quite different.

FOREIGN EXCHANGE STUDENTS

Mothobi Moreboli

Eighteen year old Mothobi Moreboli is a foreign exchange student from South Africa. Living with the Miranda family, Mothobi has really enjoyed his stay in America. He thinks Chaffey is great, and has been involved in activities council and the soccer team. At home in Africa, he has three brothers and two sisters. In the Miranda household, Mothobi has two brothers, Dennis and Doug, and his American parents Mr. and Mrs. Miranda. He thinks the best thing about Chaffey is that not many people here are prejudiced.

Fabianne LaMonica

Fabianne LaMonica and her family moved to California from Marseille, France in early October. Though Fabianne is not a true AFS student, she has been a great friend to Chaffey students. Fabianne resides with her parents, Mr. and Mrs. LaMonica, her Grandmother, and younger brother Frank. When asked what is the one about Chaffey that is different from the schools in France she commented that in France the students have the same class and teacher all day.

Pilar Cué

After receiving a warm welcome from Chaffey, Pilar Cué made herself at home with Tim, Kari and Mr. and Mrs. McDermutt. A Foreign Exchange Student from Mexico City, Pilar has adapted to the American way of life. Football games, rallies, and fun times filled her year along with trips to Disneyland and Mannoith with her American family. Although she speaks broken English, Pilar has managed to become quite active in Chaffeys activities. She has two brothers and two sisters along with her mother and father in Mexico City. Pilar will return home in June.

Jouko Rautiola

Jouko Rautiola comes from Rovaniemi, Finland. During his stay here, he lived with Dr. and Mrs. Lee and their two children, Joyce and Bill. In Finland, Jouko has two older brothers, both former exchange students. He has enjoyed his stay in America very much. Jouko will be returning to Finland in July.

Executive Council

The 1975-1976 Executive Council had a busy year, focusing on a number of controversial issues. Due to legislation coming from Sacramento, the Executive Council surveyed Chaffey students to learn their views about establishing smoking areas on campus and having Physical Education classes being elective at the Junior and Senior level. Members of the Council also took part in the initial work for the Accreditation of our school. The Council is charged with a number of duties, as outlined in the Chaffey High School Student Body Constitution. Members of the Council budget nearly fifty thousand dollars for student activities, regulation elections, and establish the policies necessary to conduct the business of the Student Body. All in all, the Executive Council had a busy year, leaving its mark.

The Activities Board services as the hub of all student activities on the Chaffey Campus. Chaired by the Social Chairman, Di Lee, it functions to coordinate all sales, dances, rallies, and other activities. The Board administers the policies of the Student Body and insures compliance. All student organizations conduct their affairs through the Board, which meets daily to schedule activities. With an ever increase number of clubs, the Board's task becomes more complicated as it seeks to be sure each has a fair share of the activities

Communication Council

The Communication Council is the largest student government body on the campus. With each second period class having a representative, the council has membership of around one hundred and fifty students. The A S B. Vice-President, Virginia Rodriguez, chairs the monthly meetings. Much of the years' business centered on the matters of smoking on campus and Physical Education becoming an elective. Many meetings were highlighted by broad vocal participation of the members.

HAPPENINGS

Time, patience, and a lot of hard work is what went into the building of the house which is located at 1536 Bonita Ct. in Ontario. Working under the direction of Mr. Roger Dunlap, the devoted men of the Building Construction Class met each morning from 8:00 until the end of third period. The majority of the workers are Chaffey High School students, however, a few attend other schools in the Chaffey District.

CLASSES CREATE

Working with the Building Construction class are the Interior decorating class, the Cabinet making class, the Business education class, and the Architectural class. These groups play a very important part in the construction of the house.

Business education class keeps track of expenses.

Interior decorating class checks over material for curtains.

Student works on cabinets in the cabinet making class.

Architectural class looks over drawings and lay outs.

Halloween Haunts

On October 31, Chaffey's campus was filled with excitement as many of the students dressed in original costumes to celebrate Halloween. The costumes were worn all day at school and included anything from a kangaroo to Elton John, the famous rock star.

BLACK AWARENESS

The week of February 23-27 was named "Black Awareness Week" and it involved a lot of planning, preparing, and hard work. This week is set aside each year to create an awareness of Black History and Culture. Events throughout the week included the selling of Soul food at both lunches. This consisted of fried chicken, cornbread, greens, potato salad, and sweet potato pie. The film *SOUNDER* was presented in G.W.S. Auditorium. Showcases were displayed in North and South Hall. There was also a book display titled "The Black Experience" set up in the Chaffey High School Library. The week came to an end with an after game dance held in the cafeteria. The people involved in making this week a success were: Performing Arts Department, Kim Wilcox, Eddie Saunders, Chanucy Mann, Rene Martel. Homemaking Department, Inetia McNeal, Darnin Wright, Sheryl Wilcox, Davine Smith, Earline Hooks, Shelia Staten. Noontime Activities; Antonia Walker, Vincent Nixon, Narvel Hooks, Tanya Pruhdomme. Art Department; Loyal Nixon, Alisha Staten, Chris Mann, Narval Hooks. Decoration (dance); Tanya Bowie, Claudia Ewing, Porky Staten, Earl Smith, and Mr. Miley. We would like to thank all the parents, teachers, and students who contributed their time and effort. A very special thanks to Mrs. Dorothy Nixon who played an important part in the planning of this special occasion.

Because of the notion that teenagers are more likely to accept counseling and suggestions from their peers, a training program for "peer counselor's" has come about. People Interested in People has taught students to counsel other Chaffey students as well as teenagers from Reach Out and the Fire House.

Peer Counselors are taught different abilities such as attentive listening, and to observe and evaluate others, talk freely, make decisions, develop alternatives, apply knowledge to problems and to be mature in their friendship and reasoning.

These student counselor's have helped many of their peers with problems concerning school, home, relations with people, drugs, alcohol, and just understanding themselves.

Student Resource Center

Discovering, learning, and planning for the future are all a part of the Student Resource Center stationed in North Hall 9. Mrs. Cathy Brock is the Career Technician of the center. Through the years, career education has built up to be so demanding, that new and more resources have been acquired, building the resource center into a reliable, up to date source of materials. Besides plentiful books, pamphlets and magazines, the center has an audio-visual set up. Machines are programmed to give a full background of almost any career or job by inserting a card, or punching a few buttons. Tape recorders are equipped with interesting and adequate information, and an IBM machine situated in the center provides print out sheets for backgrounds on occupations. During the year, surveys were taken and from responses of the students, numerous speakers attended and were able to supply verbal briefs on the particular jobs of interest. Overall, the Student Resource Center proved to be a convenient counselor for the future. Every period of every day, students made use of the facilities, and made a building block in their life. The center was open to all, and Mrs. Brock had a special concern for every student who walked in the door. Along with Mrs. Marilyn Mercalf, Project Resource Teacher, Debbie Gordon, clerk / typist, and the Work Experience Staff, Mrs. Brock helped this once in a lifetime year to be an overriding success. A sincere thanks to all.

FACULTY

Allan G. Smith

For Allan G. Smith, 1976, marked the end of twenty-three years of service to the Chaffey Union High School District. Smith was born in Oklahoma and attended school there through the twelfth grade. When his family moved to California in 1938, he began taking classes at Chaffey College then, transferred to Pomona College. During his senior year, Smith enlisted into the Army Air Corps. By the end of his four and one half years of service in World War II, he had advanced to the rank of Captain. On his return from the War, Mr. Smith entered Claremont Graduate School where he earned his teaching credentials. Smith taught English and P. E. at Chaffey High School from 1947 until he was recalled by the Air Corps for two more years of service in Korea and Japan. Between 1952 and 1958, Allan Smith worked for the Chaffey High School District under many different titles such as, Dean of Boys, Director of Athletics, Director of Personnel, and Associate Superintendent. In 1958, Smith was named as the new Superintendent of the Chaffey High School District which included Chaffey and Upland High Schools. Since that time the District has grown to include Ontario, Montclair, Alta Loma, and Valley View High Schools, Mountain Avenue Alternative School and the Adult Education program. The District's enrollment has also grown by approximately 10,000 students. Aside from his district duties, Mr. Smith is an active member of the YMCA, Board of Directors, the United Way, and the Ontario Kiwanis Club. He is also the 1976 President of the Association of California School Administrators, region twelve. On behalf of the Chaffey Student Body, the FASTI Staff bids Mr. Smith a fond farewell and much happiness in the future. Thank you for helping to make Chaffey what it is today.

CLASS OF 1776

(How Revolting It Was)

The infamous Sat. Dog Tag Band

It's not often the Chatfey students have an opportunity to see what their teachers are really like but they had their chance Friday, April 2. The Chaffey High School Faculty and Staff presented their ninth bicentennial Faculty Show entitled "The Class of 1776 (How Revolting It Was)". The show reenacted such events as the signing of the Declaration of Independence, the Battle of Bunker Hill, and Washington crossing the Delaware. The audience had a science lesson from Nelson Palmer and Phil Picquet between bulletin announcements from Dr. Adams. Everyone enjoyed the first radio Soap Opera, Martha Washington, Martha Washington, starring Bette Harrison and Fred Manville. Entertainment during intermission was provided by The NIGHT BLOOMING JAZZMEN, the only non-Chatfey act of the show. The faculty and staff worked hard to produce this fine show.

Once upon a
dream
I
did all the
things I
had
to do, saw
all the things
I wanted
to
see, and in
the silent
moments afterward,
I wished this
miraculous world
held more
for
me to do
so that I could
begin
once more,
take it as it
comes,
and live my
life in
a
lifetime,
not in a
dream

SENIORS OF '76

Yeah, I'm a senior, big deal. This year's just like all my other years here at Chaffey. The only difference is I'll be graduating after this year, in just a couple of minutes as a matter of fact. I can't wait 'til they call my name. I'm just gonna grab my diploma, say "thanks" and run. I don't really know where I'm going to though. Before, all I did was follow the crowd. I knew I could always find someone at a game, a party, Pizza Hut, or an after game dance. It's going to be different now. We're all going to head off in different directions to try to make it on our own. What a joke letting graduation get to me after twelve years of being a hard guy. Oh geez, well, my name's coming up. Later on, thanks, bye.

It's graduation and I can't believe that I'm here. They'll call my name in a few minutes, and I'll walk up to get my diploma. Then what? I'll be lost without Chaffey. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. My friends will take off and probably forget me. I wonder how long it will be before the memories that meant so much start to fade. Oh well, it's over now, maybe I'll get married. I'm gonna miss everybody and all the good times we had. I learned a lot in all my school years, and I just hope I keep on learning. Oh well, enjoy life. Try to be happy. Life is just beginning.

A vertical strip of seven cartoon faces, each wearing a different party hat. From top to bottom: a face with a pumpkin-shaped hat, a face with a flower-shaped hat, a face with a cone-shaped hat, a face with a star-shaped hat, a face with a pointed hat and streamers, a face with a pointed hat and bells, and a face with a striped hat. The faces are drawn in a simple, stylized manner with large eyes and smiling mouths.

THE SENIOR

In the beginning you were in kindergarten. Times were easier then as you finger-painted your way through the year, took time out for naps on the towel of your choice, and lived on a ration of Ritz and Graham crackers. Who'll ever forget the classic songs that the teacher taught you. The echo of "Farmer in the Dell" and the dog whose name was Bingo, bring back memories when your biggest problem was preventing the paper straw in your milk carton from collapsing

This was your first taste of education, and it seemed pretty easy if all you had to do was attend for a few hours and break in the play ground equipment. Why there were times when you actually begged your mother to let you go to school, even when you were sick. But this did not last for long as you were casted into the "real world" of first grade and your attempts to write your name with a pencil are unparralleled even to this day!

It was only the start as the years went by and you learned how to read, add, subtract, and pull the hair of a fellow class mate without getting caught. You also acquire new independence, as you took a firm stand in picking your "back-to-school" clothes and insisting that your mother stop making avocado sandwiches for your lunch

Even at this early age you might have already made a name for your-self as "Four-Square Champion" or "Terror of the Tetherball", but even with such fame, you may have felt insecure as you entered Jr. High. Throughout the span of Jr. High, acne, various voice levels, and the desire to go from being the age of twelve to eighteen years old, were a few of the main concerns. And in the process you hopefully learned a few things to prepare you for the final stretch. High School

As a freshman, you were the target of every bad joke on campus. Then as a sophomore you gained more confidence and no longer did you fear being in the same room with a senior. By your junior year you mastered the art of getting to class on time (well, most of the time) and figured out how the "scramble system" worked

And now finally you ARE a Senior. For some, the educational experience will be continued further, but for all the graduating seniors of '76, it's another new beginning

Graduation Speakers

Kevin Neff, Sue Johnson, and Joe Graff

On the evening of June 9th, the Chaffey class of 1976 gathered together for the last time as the commencement ceremonies began.

The seniors heard a few parting thoughts from three fellow classmates. Joe Graff talked about "The Foundation of Our Country: Where Does It Really Begin?" reflecting on the Bicentennial year. Sue Johnson's speech "Memories, Use Them to Build Your Future" allowed them to look to what the future might hold. Kevin Neff asked a sentimental question with "Are You Really Glad It's Over?"

After diplomas were issued, a group of new Chaffey Alumni headed for a fun-filled night at Disney, and

Many long hours, sleepless nights, and lots of tears went into the making of this book. But we were not without good times, laughter, and smiles, and a special feeling of friendship and love which came from our working as one. All these things, and the patience and understanding of our Advisor, make the '76 FASTI a yearbook that we are all proud of.

Though this is the end of the frustrating, hard work and headaches, it's just the start of our memories — memories, both good and bad, which we'll keep for the rest of our lives.

Look back and be happy with your memories. They will never happen again, for 1976 will only happen "Once In A Lifetime."
